

December 17, 2010

Below are anticipated construction activities for the week of 12/20/2010.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities on the following streets.

- Pennsylvania Street south of Washington Street
- Illinois Street south of Washington Street
- Ohio Street and College Avenue
- Vermont Street from Meridian Street to Pennsylvania Street
- New Jersey Street from Ohio Street to St. Clair Street
- Adams Street from Roosevelt to 25th Street
- Stuart Street from Roosevelt Avenue to 25th Street
- South Street from Pennsylvania Street to College Avenue
- East Street south of Washington Street

The rehabilitation of the Oliver Avenue Bridge over White River will continue. The bridge will remain open during construction with lane restrictions.

The Morris Street Bridge over White River will be closed during construction. A posted detour route will direct motorists around this year-long project.

The intersection of 10th Street and Miley Avenue will continue to be closed (with an anticipated re-opening in late December).

Lafayette Road will continue to be restricted between 16th Street and Cold Springs Road. North- and southbound traffic is restricted to one lane in each direction. Restrictions are scheduled to be lifted January 2011.

19th Street will be closed at the Lafayette Road intersection until late January 2011.

The 19th Street and Belleview Place intersection will be closed for bypass pumping operations from January 3 to January 17.

Indianapolis Cultural Trail

Work is in progress on Capitol Avenue from Washington Street to Maryland Street, and Alabama Street from Market Street to Washington Street. Utility relocations are underway on Virginia

Avenue from Pennsylvania Street to the Delaware Street and Maryland Street intersection, and on Washington Street from Capitol Avenue to West Street.

Georgia Street

Utility relocations continue in preparation of the Georgia Street reconstruction scheduled to begin in January 2011. Please visit the project web page at www.indy.gov/dpw.

Scioto Street

Scioto Street will have limited access as reconstruction begins from the private parking garage to Maryland Street.

PIKE TOWNSHIP

38th Street from I-465 to I-65 remains under construction. In order to accommodate additional traffic during the holiday season, all six lanes of 38th Street will be open until January 5th. Expect delays when construction resumes. Please visit the project web page at www.indy.gov/dpw.

WASHINGTON TOWNSHIP

The intersection of Fox Hill Drive and Grandview Drive will be closed for the installation of sanitary sewers.

Grandview Drive will be closed from Fox Hill Drive to Juan Solomon Park for road reconstruction.

Brewster Road from Township Line Road to Ditch Road work will not continue until the week of January 10, 2011.

Clearing and storm sewer installation is occurring on Michigan Road from Cold Springs Road to Kessler Boulevard with lane restrictions both north- and southbound.

LAWRENCE TOWNSHIP

Work is underway on the ditch along Hague Road from Fall Creek Road to 75th Street.

WARREN TOWNSHIP

Raymond Street will have lane restrictions over Lick Creek during the bridge rehabilitation. The right-hand lanes for both east- and westbound traffic will be closed during this phase.

PERRY TOWNSHIP

Sumner Avenue from Meridian Road to Harding Street will be open to LOCAL TRAFFIC ONLY for the next 110 days during sanitary sewer installation. The suggested detour will be posted along the roadway: Harding Street to Troy Avenue to Meridian Street.

Bluff Road from Troy Avenue to Sumner Avenue will be open to LOCAL TRAFFIC ONLY during sanitary sewer installation.

Sanitary sewers are being installed along Woodhill Drive, east of Brill Road.
